Eye Q Eyewear Return Policy

Eye Q's warranty covers 1-year manufacturer's defects on all current products, and up to 90 days on discontinued product. If the product is truly defective, it may be returned by the customer for exchange or credit. Current products received in original packaging in unused condition will be considered for up to 100% credit. Products not in original packaging will be charged a 20% restocking fee. Worn or abused product will be credited at our total discretion. All eyewear shipped with cases must be returned with that case. Failure to return the case will result in a deduction of \$5.00 from the original frame price. Product that is not Eye Q, discontinued or defective frames that do not qualify for credit may be shipped back at the customer's expense.
